

# TEC 7141 Class of July 2003

## *Certificate of Appreciation*

*awarded to*

*Pete Moulton*

*for*

*masterfully persuading us not to buy a damn Dell, WinModem  
or any other hunk'in hardware; providing visual or verbal clues to help  
us grasp the PC and Network universe; and for giving up a promising  
Broadway career to enlighten, inform, and otherwise entertain a bunch of  
over-worked, under-appreciated Computer Nerds.*

*Awarded this 16th day of July, 2003.*
